It is widely known that Nancy Pelosi's daughter Alexandra Pelosi produced an HBO documentary on the January 6, 2021, protests and riot in Washington DC.

In October 2022, CNN released never-before-seen footage of Nancy Pelosi and Mitch McConnell inside the US Capitol on January 6, 2021 — the two people who refused to call in the National Guard prior to that day and during the rioting.

The [footage on January 6 inside the US Capitol was filmed of Nancy's daughter Alexandra](#). Nancy's son-in-law was outside during the protests filming the "insurrection."

Nancy had a camera crew at the US Capitol as if she knew it was going to be a historic day. It was quite a coincidence.

As it turned out, January 6 was a historic day. It was also well-planned and staged!

Now there is never before released video of Nancy Pelosi's daughter admitting to a January 6 defendant that the insurrection narrative was nonsense and that Washington DC is too biased to hold fair trials for Trump supporters.

In the video below, Nancy Pelosi's daughter, Alexandra Pelosi, is meeting with a January 6 defendant she wanted desperately to be in her sham documentary. It is a meeting with this same J6 defendant and his attorney. Alexandra Pelosi asked the defendant numerous times to participate. He politely declined.

The Gateway Pundit reached out to the January 6 defendant in this video to confirm the details in the recording.

Alexandra Pelosi agreed to be recorded by the defendant.

In this video, Alexandra Pelosi is on camera saying many very shocking things. She mocks the idea that January 6th was an insurrection and admits that DC is too biased to hold fair trials and that many J6ers would be found not guilty if their cases were handled anywhere else in the country, and much more.

This video has not yet been made public. This is an exclusive video for The Gateway Pundit audience.

From our source who was in the room during the filming: “I did a lot of due diligence making sure that the defendant who shot this video had permission to do so. I spoke with his attorney who provided me documentation that Alexandra agreed to be filmed if they met. I wanted to bring this to you before anybody else if you’re interested in featuring it. Nancy Pelosi has contributed to destroying countless lives with her “insurrection” narrative and sham committee – And here is her daughter on camera saying it’s all a crock.”

Here are some of the key moments in the video where Alexandra makes some particularly audacious comments.

Key moments:

2:43: Pelosi: “The Shaman did nothing... What did the Shaman do? He stood there.”

4:24: “After the Democrats lose the house, then they get rid of the committee, people may lose I think interest... no one is going to care after the democrats are out of power. And you take Biden out of office- then who cares!?”

Sadly, it's only Americans who still believe it was an "insurrection". I speak with many people in different countries, they are furious that WE, Americans, are doing nothing to get this country back. They know that if America falls (which I believe has already happened) then their countries will fall. They ask why we have the 2nd amendment when we are allowing all this to happen.

It is essential now because of no rule of law and millions of

migrants pouring over the border. Many young men are probably sleeper cells; the ones in camo and carrying AK-47s are a deadly sign.

Who are you going to shoot? Everybody in government that is a democrat? Obama and Joey Dipsheit have packed the courts, the secretaries of state, the judiciary and the armed services. Also the senior executive service that means about a million guilty people who need to be killed. And not one g d'ed traitor has ever come out and confessed anything.

Democrats all know it wasn't an insurrection, but they are too intellectually dishonest to admit it, and they are evil enough to see innocent people incarcerated for years. The media and leftist historians are rewriting history.
