The WHO/UN/WEF associated criminal partnership against the whole Humanity, must disappear definitely! Almost an impossible task, because these elites (political, corporative, educational, medical, etc.) are not entirely human species, although they appear to be. The idea is to shatter this swarm efficiently and definitely. I am 78 years old, and I understood since my fifties that the medical and pharmaceutical activities are respectively vendors and producers of "snake oil", which they call medicine. Speak about a SCAM, of which very few people appear to be conscient of or interested in... No need to say that, since a long time ago, I feel excellent, health wise. I follow with great interest and respect everything coming from you, James Roguski. THE UNVAXXED and trying to stay free of THEIR BIOWEAPONS.
