### Stand With Bannon

Political prisoner Stephen K Bannon has been prosecuted for his support of President Donald J. Trump and the America First Agenda. It's time to take a stand for the Constitutional Republic and make our voices heard. The "Stand with Bannon" t-shirt is more than just apparel; it's a statement of solidarity and defiance. By wearing this shirt, you're standing up against the forces that seek to silence us.

"An elite is someone who's for themselves and not for the country. If you stay true to yourself and true to your vision and your own values, you can power through and make an impact on modern life."
