The [Lee County Republican Assembly](#) hosted a medical freedom forum and book signing event with Surgeon General Dr. Joseph Ladapo at the Bonita/Estero Elks in Lee County Florida. Dr. Ladapo was not speaking in his official capacity but as a private citizen about medical freedom, and his book, [Transcending Fear](#).

I spoke briefly starting at 3:11, followed by Dr. Zywiec 11:00, Dr. Villa 27:30, and Dr. Ladapo 59:30. Afterward there was a question and answer period.

Dr. Zywiec spoke about gender mutilations and said the mRNA injections were bioweapons. Dr. Villa spoke about the victims and also stated that the mRNA injections were biological weapons. Both spoke about shedding. Dr. Ladapo essentially affirmed what the other two doctors said and spoke about his book and journey as well as other related issues.

Dr. Villa operates a very busy clinic in central Florida called [Villa Health Center](#) and sees patients in person and via telehealth. [Villa](#)

Podcast

Discussion about politics, economics, mental health, health and wellness, liberty and natural rights, philosophy and spirituality, resisting global genocide, and just about everything.

This ought to become the political issue of our time. Who cares about the economy or homelessness or anything else if they are actively creating fake pandemics to inject people with bio-weapons and then pretending that everything is fine. This is attempted genocide.

Well... Erm... 'attempted genocide'? There are overwhelming demographic analyses proving this as an extremely effective

genocide. <https://correlation-canada.org/wp-content/uploads/2023/10/2023-10-08-Correlation-Whether-Nobel-vaccine-saved-millions-of-lives.pdf> Not criticizing your comment. Only adjusting syntax.

I didn't say they achieved genocide, they have attempted it and are continuing on this path. Also according to Sabina Wallace (and several well researched books same topic) the government (whatever that is) is aware that they can make people sick electronically where they did this on purpose to inject people with a substance they engineered over decades. Additionally, I look at the larger context where I'm cross referencing data from every source possible and cancelling contradictions. As everything affects everything else. This is a military op run out of the pentagon against humanity where it seems likely they will attempt to throw the CIA underneath the bus if possible to continue on-going operations. Why? Because it seems easier than explaining the truth. Which - knowing some small portion of the greater context I have sympathy for them and yet they have painted themselves into a corner and it will be super interesting to see how this ends as end it must and their feet are being held to the fire. Stay happy - we're WINNING!

Hello Matt. You are correct in that para-military complex's are currently affecting populations with psychotronic broadcast. These 'experiments' have been ongoing for decades, as civilian populace are continually fed this brand of Wikipedia nonsense:

https://en.wikipedia.org/wiki/Electronic_harassment

The thing to keep in mind is that these broadcasts are affecting the populace as a whole. This includes all branches of governance and military operatives as well. Mankind is committing suicide with these and other technologies for a fist full of pennies. It is a horror show. Thank you for commenting.

I'd say it was a lot more complicated than that - and its not "suicide" but rather "fratricide" which is how the egoistic age is predicted to end - whereas (my reckoning is for the past 15 years or so (and they seem to be making another serious go at it starting yesterday) is what I'm calling the "Cosmic Speed-bump" between ages. Where the Kali Uga (dark age) is ending and becoming a new Golden Age whereas the current powers that be aren't interested in this and so are attempting to kill everyone (which you're calling suicide and for them it is) because the new Guardian of the

planet isn't having it. Peace on earth has already been declared and the New Golden Age has already begin - whereas every effort now is being made to make these morons wake up - whereas I'm personally ok with them dying as I'm beyond frustrated with the situation.

Dr Villa is my heroine. After forty years she is the ONLY Dr who diagnosed my LUPUS !

I have explained to multiple Rheumatologists, Dermatologists and GPs that i have frequent viruses with fevers and a "Lupus like rash" throughout the years and that I even have had to have a hip replacement because of the avascular necrosis caused by the Lupus along with 28 years of migraines. Only Dr Villa Ordered all the blood tests needed which 3 came back from Quest Labs as LUPUS !!!

DARPA and the DOD are teflon agencies in the Federal Government. Gov DeSantis does listen to his Surgeon General but has some constraints due to the Fed.

Read , "The Real Anthony Fauci" and pray Trump gets in because there might be a chance for health freedom with him over Kamala's reign.

Yes yes we have seen the injured and lost friends and relatives. Two to turbo cancers and one to a stroke followed by instant dementia.

There was a breakout of hepatitis in one big box store in Palm Beach Gardens that mandated the cov 19 jab for their employees. Months later they were checking all the exposed limbs of their employees for scratches and any puncture wounds as if the Hep came from them all being cut at work instead of getting the shots !

YOU would not know a Freemason if you sat on one. Both my in laws were Freemasons and believe me those people and their friends were no rocket scientists.

You've been reading too many low intellect opinions.

Gates , his father who was president of the Rockefeller Planned Parenthood, were and are real Freemasons. PP works hand and glove with the Labs like at the University of Pittsburgh who use and get Grants from the NIH and the likes of Fauci , to experiment with the organs of the late term butchered children.

Look that one up and see the pictures of the babies scalps sewn on the backs of rats there.

They certainly have their heart into something since they never rescinded the Florida statue of legal forced vaccination and quarantine. Here it is:

<https://www.flsenate.gov/laws/statutes/2018/381.00315>

4. Ordering an individual to be examined, tested, vaccinated, treated, isolated, or quarantined for communicable diseases that have significant morbidity or mortality and present a severe danger to public health. Individuals who are unable or unwilling to be examined, tested, vaccinated, or treated for reasons of health, religion, or conscience may be subjected to isolation or quarantine.

a. Examination, testing, vaccination, or treatment may be performed by any qualified person authorized by the State Health Officer.

b. If the individual poses a danger to the public health, the State Health Officer may subject the individual to isolation or quarantine. If there is no practical method to isolate or quarantine the individual, the State Health Officer may use any means necessary to vaccinate or treat the individual.

So you can be quarantined and shot up with toxic brew for any fake germ they want to make up. Wonderful people.

The Fed usurping of the US Constitution has been taking precedent over and running everything in every state

"To understand the Committee of 300 completely I recommend you read the book Conspirator's Hierarchy: The Story of the Committee of 300 by Dr. John Coleman. Dr. John Coleman was an Intelligence Officer for over 45 years and his book of truth is based on 20 years of relentless research. Below are

the goals and names of the Committee of 300 written from his book."

They were behind Goal 2000 and the creation of many pandemics . They control the Democratic branch of the government and many Republicans also like Newt ,the depopulation agenda, they pick the Presidents and control global trade these are the people who make and break nations and their leaders. Tell me who can come up against them?

Yes I am in agreement with this and read it twice, only Coleman doesn't really reveal who is at the very top of the group, called Black Nobility, but that isn't our immediate issue.

https://www.cia.gov/library/abbottabad-compound/4A/4A92FD2FB4DAE3F773DB0B7742CF0F65_Coleman.-.CONSPIRATORS.HIERARCHY.-.THE.STORY.OF.THE.COMMITTEE.OF.300.R.pdf

The immediate issue is, did DeSantis or Lapado do anything about the STATE

laws of forced injections and quarantine? No they did not. They also did not come out against vaxes in 2020, never called out that no virus was found, and pushed paxlovid (Pfizer) for Covid. So the people in Fla do not actually have medical freedom if you look closely at the state statutes I sent you, it is the State Govt that has the freedom to force vax the people. Lapado et al. are very good at words and discussion, but

M Henry Jul 31 · *edited Jul 31*

I agree but I am sure they would be eliminated if they were to do as you say.

Remember in 2020 few knew this was not a real pandemic right away , nor did they know much about mRNA (failed) technology.

In fact Dr Villa herself ordered vials of the shots for her clinic but thankfully they were long in coming because priority was given to hospital vaccine clinics and the big box drugstores.

so she said she had to deal first hand with her own patients coming in with covid and after she read about the shots she realized she was blessed not to get them delivered.

One of the problems I have always had with the Masonic handshake issue is that there appear to be multiple variations depending on what level/degree the free-Mason has achieved. Would one have to know that in order to have any assurance about what one might see? My sense is that there are too many variables for it to be useful.

I think there are many other signs and symbols that are more indicative (one might say diagnostic) of a person being a member of a Satanic oriented/affiliated secret society. The constant flashing of the "eye of Horus" sign (covering one eye), the 666 sign with the hand and fingers (what was once called the A-OK sign), the devil horns sign (index and smallest finger elevated on one or both hands), the heart sign with both hands (Bal), all seem to be very consistently used by adepts of Luciferianism/Satanism which are integral to secret societies in general. I have found that those who frequently use these signs seem to be working for the devil's program rather than God's. Christ supplied the metric when he said, "By their fruits you shall know them", (Matthew 7:16, 20).

In my experience, many of the lower-level adepts of secret societies are unaware of who they serve. The highest-level members know they worship and serve Lucifer/Satan and intentionally work against God.
