

Dear Fellow Patriot,

We don't have much time, so I'll keep this short.

Kamala Harris has replaced Joe Biden as the Democratic Presidential nominee -- something that has NEVER happened in modern American politics, and it's a **clear signal of the radical anti-gun agenda they are pushing.**

Kamala Harris is one of the most extreme anti-gun politicians in Washington, and now she's just one step away from the presidency. We MUST ensure our Second Amendment rights are protected against a radical gun-grabber like Kamala Harris.

Your immediate input is needed to show that grassroots patriotic Second Amendment defenders like you oppose Kamala Harris and her dangerous, anti-gun agenda.

Harris has consistently supported extreme measures to restrict your gun rights. She's backed sweeping gun control laws, including mandatory buybacks, which are nothing more than government-forced gun confiscation.

If she gets her way, your right to protect yourself and your family will be stripped away.

That's why I'm fighting back. I'm standing strong for the Second Amendment, and I need your help to send a powerful message to Washington: *We will not let Kamala Harris dismantle our constitutional rights!*

I am honored to be endorsed by Gun Owners of America, a national Second Amendment organization representing over 2 million gun owners and activists. This endorsement is proof of my unwavering commitment to defending your rights.

But I can't do it alone. I need your support to ensure that every voter knows where Kamala Harris stands—and how dangerous her anti-gun policies are for America.
