Stirling's study shows an incredibly disturbing trend.

The damage to health caused by each vaccine dose does not lessen over time as it appears to continue indefinitely.

The data shows that every year, excess deaths are soaring dramatically as all forms of mortality accelerate, despite the level of injections people take going down.

During the meeting, officials made the shocking revelation that
funerals in the town have gone from once a week to one every
day since the Covid "vaccines" were rolled out for public use.

Due to the staggering “sevenfold increase” in deaths, McRae revealed that the town has been forced to build a “cold body storage facility” to cope with the surge in corpses.
