'panda eyes' occur when a child is sodomised and the trauma bursts capillaries around their eye sockets (which bulge when they're sodomised) which creates the ringed bruising.

Satanic Pedophile

PANDA EYES

It's pedophile slang for child sodomy. When a child is forcibly sodomized, their eyes can welt to black circles due to the blunt trauma involved, making their eyes look like that of a panda. There's even apparel selling online that says, "Panda Eyes" on it for the pedo community. Many pedophiles joke about this online when talking about kids.

There's many symbols and codes they use to let other pedophiles know their perverse preferences. Cheese Pizza tells others they like little girls, while pepperoni pizza says they like little boys.

#cumpanda is often used by pedo social media accounts...

"I gave many boys panda eyes!"

Ryan's Post

I am a survivor, also a retired Ped RN. I still have dark rings under my eyes. (I'm in my late 50's)
The HORRIFYING truth is, that brutal sodomy is such excruciating pain, and it rips and tears tissues, colons from their anchors in the pelvis, plus, traumatizes the vagus nerve, etc... that children's eyes bulge with that trauma, and capillaries under the eyes burst and die - thus the tissues and skin, mostly under the eyes, die of hypoxia (lack of oxygenation due to the capillary hemorrhages). Of course, the bursting of the capillaries is the same as blunt force trauma to the

blunt force trauma to the face, and gives children two black eyes. Unfortunately, with repetition, those capillaries are not restored, and we are left with permanent black rings under our eyes. Yes, trafficked kids are ALWAYS sleep deprived. I used to wish I would die and go to heaven just so I could SLEEP for a hundred years or so. However, the PANDA is even more perverse and brutal than sleep deprivation. Many times the perpetrators will punch you in the nose for cover-up; so IF any child is taken to a doctor, the immediate trauma noted is a broken

I just learned a few weeks ago what causes "Panda Eyes."
My heart weeps for these precious souls.

I have zero compassion for these evil monsters that destroy lives of the innocent.

I'm so grateful to our President, Donald Trump for taking the lead in abolishing human trafficking in all forms.

The image seems to be from a Channel 4 news story about bombings in Gaza and not about sexual abuse, back in 2015. See:

Is the picture in the article from the PPTF? Any backstory? Let us know — I know people are talking about this image.

Bombs don't cause dark rings around the eyes; they blow people to pieces.

It depends on distance from/to bomb activation. Everything depends on something.
Have a good day.

Jimbo- what's the angle then? That the 2015 story about a child in Gaza was a planted story?
