Wall Street Apes @WallStreetApes

WOAH 🚨 We just figured out how Democrats got all the illegal Haitian and Venezuelan migrants into America, MASSIVE FRAUD

Rep Andy Biggs confronts Immigration Official about fraud taking place and she admits SHE KNEW about this:

- The same social security number was used on at least 20 different CHNV supporter applications
- This HAPPENED 3200 TIMES
- CHNV (Is the processes for Cubans, Haitians, Nicaraguans, and Venezuelans)
- Nearly 2,000 times you had the same email address used on 20 different supporter applications
- The same exact 184 word text response to a question on the supporter application was used on more than 1800 such applications by nearly 190 different CHNV supporters (literally copy and pasting applications)
- More than 460 non-existent zip codes were used on supporter applications on behalf of more than 2,800 CHNV aliens
- 2024 DHS had approved more than 80,000 CHNV supporters who were on in the US on a temporary basis
- 224 CHNV parolees approved as CHNV supporters. 170 additional parolees, non-CHNV approved as CHNV supporters
- 28,322 temporary protected status holders approved as CHNV supporters
- 19,865 SLEs approved as CHNV supporters
- 311 DACA recipients approved as CHNV supporters
- 1,300 plus aliens in the U.S. on temporary visas approved as CHNV supporters
- 64 refugees approved as CHNV supporters
- 1912 conditional permanent residents approved as CHNV supporters
