## Ex-Obama Aide Sentenced to 11 Years for Attempted Child Rape.

A former senior advisor to former President Barack [Obama](#) has been sentenced to 11 and a half years in prison for [child sex](#) crimes. Rahamim 'Rami' Shy traveled to the [United Kingdom](#) in an attempt to meet a nine-year-old for [sex](#). He was initially [arrested last year](#).

Shy coordinated the U.S. government's response to terror groups like the [Taliban](#) and [Al Qaeda](#) and was sentenced at Luton Crown Court on Wednesday, January 29. Upon his arrest, Shy was found with children's toys and condoms in his luggage. The nine-year-old he thought he was talking to was, in reality, an undercover [police](#) officer. He spoke with the officer online and stated that the child's age was a "tad late" to begin the sexual activity.

Shy was also found in possession of indecent images of [children](#) on his cell phone. Messages showing his sexual interest in children were also discovered. Meanwhile, Shy's attorneys attempted to claim that the court did not have jurisdiction because the messages were sent in the United States, but the [judge](#) overruled this.

The former Obama official is just the latest leftist to be arrested or convicted of child sex offenses in Britain. Among Britain's ruling leftist Labour Party, over [50 members](#), including elected officials, have been arrested for child sex offenses, from possession of child pornography to [rape](#).

Earlier this month, another Democrat was [arrested](#) for attempting to meet a child for sex in Las Vegas. Matthew A. Inman, treasurer for the Orange County, Florida Democrats, attempted to meet the father of a nine-year-old to meet for sexual purposes. As in the British case, the "father" was an undercover police officer.

## Trump Nukes BRICS With Tariff Threat.

President [Donald J.
