

# JFK,RFK,MLK, Epstein. It Was The Freaking CIA Shut. It. Down.

The Trump team is wrestling a monumental evil.

ELIZABETH NICKSON

MAR 22, 2025

So, it was the CIA, along with Johnson, assorted bad actors from the Cuban community in Florida, the Silver-boy Texans, and the freaking Joint Chiefs of Staff. And the Bushes? Yes? No? Bush Sr. is suspected to have coordinated the hit, and thought to have been involved with the CIA since Yale. The shadows are deep, and yet unplumbed.

Here's Grok on the specific subject of the assassination. No human has had time to through all 83,000 pages and summarize. Not yet. Not possible. Therefore:

## Conclusion

The 31,419 pages reframe the JFK assassination as a multifaceted conspiracy involving the CIA, mafia, Secret Service, Soviet-Cuban elements, and potentially LBJ himself, with Oswald as a funded patsy rather than a lone gunman. The exhaustive review uncovers a web of pre-assassination plotting, on-the-ground execution by multiple shooters, and a post-event cover-up orchestrated at the highest level. While the Warren Commission's 1964 report and the HSCA's 1979 conspiracy nod shaped public understanding, these files—spanning early Oswald surveillance to LBJ's cryptic memo—offer a depth and specificity that could rewrite history if authentic.

Jeff Childers, my morning must-read, [summarizes](#) the CIA's activities in the rest of world:

Calling the disclosures “remarkable,” the Times described how, collectively, the newly unredacted documents described CIA malfeasance on a global scale, including coups and election interference (!).

They include information about C.I.A. involvement in various attempted coups, election interference in countries around the world and connections that ran to the top of some foreign governments. To see the documents all drop suddenly, without redactions, was remarkable to scholars.

For example, another now-unredacted 1967 report by the CIA's inspector general disclosed the agency's 1961 assassination of Dominican dictator Rafael Trujillo - including *the names of all the CIA agents* involved in the plot. Other documents revealed CIA efforts to interfere in elections in Finland, Peru and Somalia, which had previously been relegated to 'conspiracy theory' status, or were even entirely unknown before now.

There was also new information about CIA's involvement in failed and successful coups in a devil's inventory of countries, including Brazil, Haiti (!), and what is now Guyana. *The CIA has been meddling in the whole world.*

Absurdistan is still on break for another week, but this evil, which reaches deep into our culture, needs comment, as in let's not give up now, go further. By the way, many thanks for the flood of paid subscriptions and the wonderful notes of appreciation I received last week. I was floored by it, it shot me into another world, a world where I can fund my own reporting and travel. I cannot think of anything I want more.

We can't rest on this. But what they have done is far worse than destabilizing us, stunting us, ruining our integrity, stealing our wealth. To hide their crimes, they have built a substructure of hatred, destruction and decadence, that reaches into every industry, Their propaganda machine, frankly admitted to by Mossad, has tried to turn the culture into one of predation and evil, and they themselves, the operatives at the center of this, have almost destroyed our humanity.

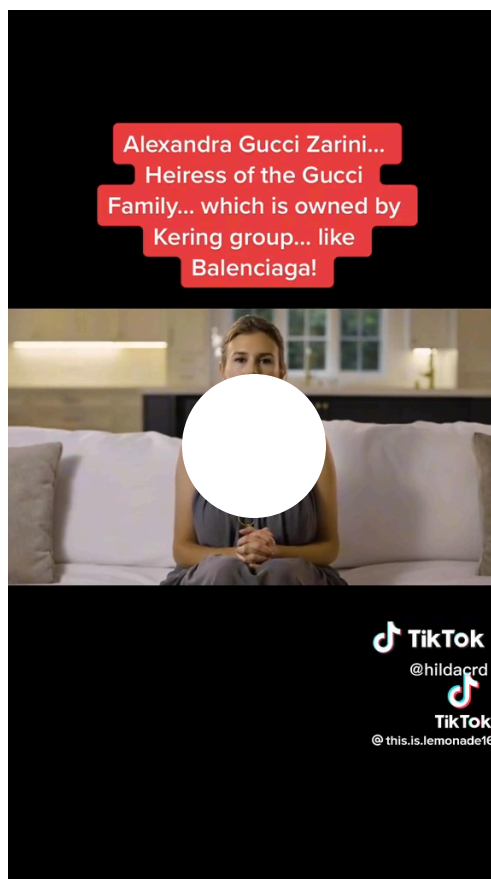

And clearly, they were beginning to kill us off. Mass poisoning was on their agenda Cuba, why not uppity populist us. Was Covid Operation Mongoose?

When I was researching [The Monkey Puzzle Tree](#), I went to D.C. and called down the files on MKUltra in the National Archives. There were five boxes and I went through all of them in a week. Most of the pages had blackouts, some were entirely blacked out but here's the lesson. Given what we know now about MKUltra, the documentation housed under MKUltra in the National Archives was 10% of 10% of what Dulles had wrought. *What wasn't in the JFK files?*

One chapter of Whitney Webb's *One Nation Under Blackmail*, sticks in my mind and cannot get it out. She suggests a collaboration between Epstein's billionaire patron, Victoria's Secret owner, Leslie Wexner with CIA drugs/human trafficking flights out of Wexner's locale near Columbus, Ohio. Epstein victims describe the tunnels under 3 acre Wexner's estate as the pits of hell. Wexner had been a notorious gay predator in Chicago, and his success....well, it gave him access to the most beautiful, young ambitious foolish women. From what I can gather about the sexual proclivities of the Diddy/Epstein adjacent, their sexuality becomes so inflamed, they become ambisexual and need more and more stimulation, more perversion, more violence with every encounter. Did the CIA know that about people, and use it ruthlessly? I think so. Where are the Epstein files? Why is the Diddy prosecution being slow-walked? Is it because the Obamas are involved? The rumours about Big Mike are persistent and victims of the Diddy parties say that the whole world will reel when they find out who was involved. From a friend, Elizabeth Hodgson on email: (She writes the hilarious, trenchant [No, Srsly](#) on Substack)

*What if all were revealed about Hollywood? What if people discovered the truth of what happened to the two Corey's or Will Smith or Justin Bieber? What if they found out what happened to the Olson twins and all the 70s and 80s child actors. Hollywood would cease to exist. No more pools or Bentleys or private schools. No more Vail chalets. The Hollywood stars would burst into flames.*

Exactly. And what if that child predation wasn't only at the heights of the culture, like this daughter of the Gucci Empire, sent by Ginger [Breggin](#), also of Substack. Hers is a reasoned, calm, j'accuse from an educated, cultivated young woman, without any of the ticks, as Ginger says, of the mal-used. There are so many personal testimonies about this dark place, but the story also attracts gadflies with emotional problems, those ancillary involved looking for significance, and no doubt, frauds. The Gucci daughter's testimony is unassailable and speaks to that skein at the top that runs the disgusting show, and who traffick on a scale unimaginable.

I watched a channel of MKUltra survivors last weekend, ordinary girls and boys, from nowhere, giving hour-long testimonies - 250 of them - that were so terrible, I could hear the fizz of my brain trying to take it in. MKUltra was Allen Dulles's child. Dulles was the same joker who without doubt, collaborated in the killing of JFK. JFK fired Allen Dulles in 1962 after the Bay of Pigs disaster. He had the mind of a senior military officer in Satan's army, his 2IC. Allen Dulles was best buddies with Ewan Cameron

who experimented on my mother during [The Montreal Experiments](#). His tentacles reached everywhere.

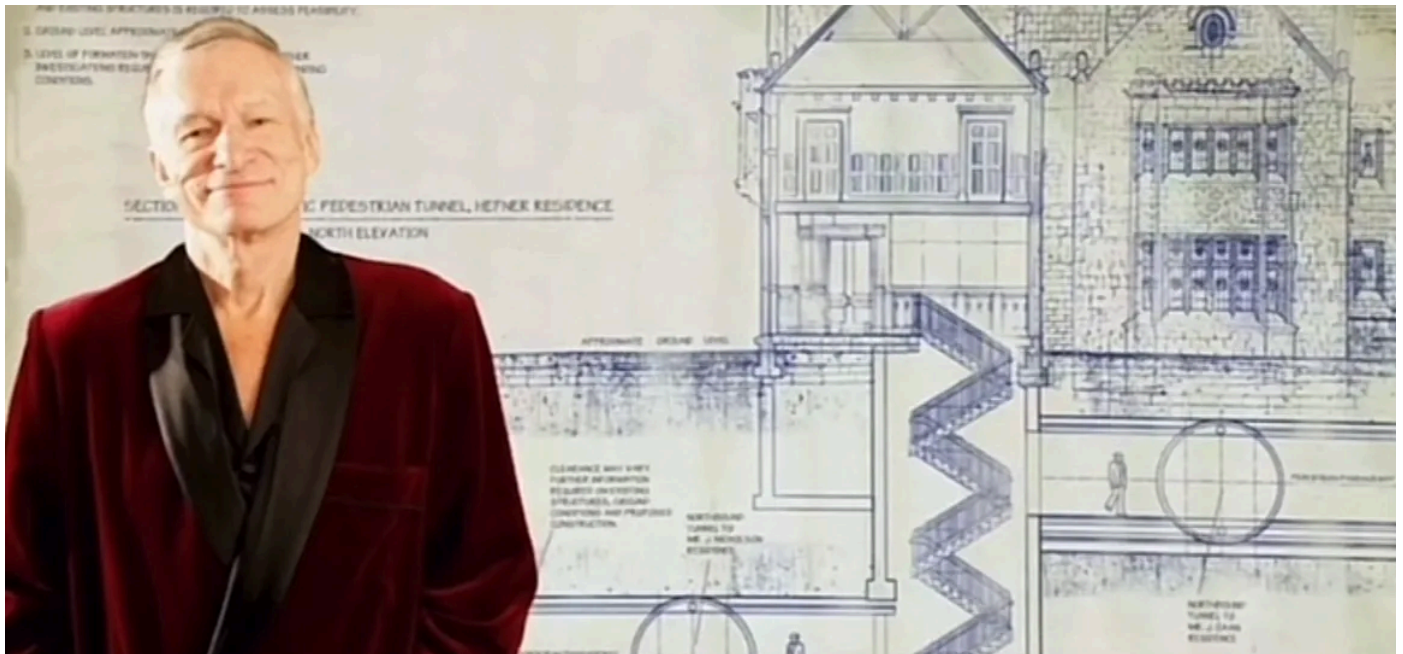

What if the Montreal Experiments were the nice part of MKUltra?

We have a chance now, a slim one, but a chance to stop this. Absurdistan does not do this subject, it is too dark, but I spent my early career in the arts, the last years were a grunt job for a famous film director, Arthur Penn. He and his mega-famous friend were all (mostly) Jewish geniuses and my admiration for their artistry was unmatched. So it's not all *the Jooos*, I am certain of that. For example, I found my family name among the nine founders of Yale's Skull and Bones, a supposed Illuminati outfit. From what we know of supposed Illuminati families, the splintering is real. If they were, a splinter became evangelical Christians by 1600 who lived in a 400 year fever of good deeds, almost as if, they themselves had seen the evil in their 'bloodline' and were compensating. Equally I would venture that Arthur and his famous friends were clean and if Warren Beatty was completely not, for the sake of argument, I'll bet dollars to donuts he had been a victim, a young beautiful man dragged by his ambition into hell and turned priapic.

Innocent or not, what was built on their talent was an edifice of the purest evil. It is poisoning our souls, our bodies and our minds. Flushing out that evil, even if it brings down a multi-billion dollar industry must be made to happen. People are always going to want the arts, but let's be clear about this: the arts have been twisted to degenerate and their fruit is poisoning people all over the world, especially the young.

U.S. Attorney Damian Williams said: “As alleged in the Indictment, for years, Sean Combs used the business empire he controlled to sexually abuse and exploit women, as well as to commit other acts of violence and obstruction of justice. Today, he is charged with racketeering and sex trafficking offenses. If you have been a victim of Combs’ alleged abuse – or if you know anything about his alleged crimes, we urge you to come forward. This investigation is far from over.”

Luke 8:16-18

16 "No one, when he has lit a lamp, covers it with a vessel or puts it under a bed, but sets it on a lampstand, that those who enter may see the light. 17 For nothing is secret that will not be revealed nor anything hidden that will not be known and come to light. 18 Therefore take heed how you live. For whoever has, to him more will be given; and whoever does not have, even what he seems to have will be taken from him."
