The moment we've all been waiting for is here! 🎉 The **exclusive interviews with the leading Republican candidates for New Jersey Governor** have just dropped, and they are packed with the answers you need on the issues that matter most to parents across the state!

Starting TODAY, April 4th, you can watch **30-minute, in-depth interviews** with **Joi Bramnick, Jack Ciattarelli and Bill Spadea**—right now on the [New Jersey Parental Rights Coalition's YouTube channel](#)!

Why should you be excited?

- Hear the candidates address **critical parental rights issues** like education policy, protecting our kids from inappropriate content in schools, and standing up for your right to make decisions about your child's education and healthcare.
- **No spin, just the facts!** Each candidate answered the same set of tough questions so you can clearly see where they stand.

These interviews are **absolutely essential viewing** for any parent, grandparent, or community member who cares about the future of our children. It's time to hear directly from the candidates about how they plan to support parental rights here in New Jersey.

Here's where YOU come in:

We need you to **watch these interviews and share them** with your friends, family, or anyone who needs to know where these candidates really stand on the issues that impact your family's future. Let's make sure **every parent** has the information they need to make their voices heard in this crucial election!

👉 **Watch the interviews NOW on our [YouTube](#) channel!**

This is our chance to stand up, stay informed, and demand that parental rights remain a top priority in New Jersey! Let's make some noise—**share these videos far and wide**!

Thank you for being an essential part of this movement! Together, we can make a real difference for the future of our children. 🙏

NJ Parental Rights Coalition

Our mission is to educate the public about the vital issues affecting children and families in New Jersey. We are committed to educating parents and communities about their rights and responsibilities and empowering them to advocate for the well-being of their children. Through collaboration and advocacy, we strive to help parents engage effectively with local and state leaders to ensure that parental rights are respected, protected, and upheld in all aspects of society. These include: health, education, safety, as well as social and moral teaching. Together, we aim to build stronger and more informed communities where families are supported in making the best decisions for their children's futures.
